**Slater and Gordon Lawyers
proudly supporting unions
since 1935.**

Slater and Gordon was founded on the belief that everyone should have access to quality legal advice. Since 1935, we've supported union members through all types of situations, and out the other side. We have expertise in a broad range of legal services and, with 23 offices in NSW, you'll know that we're nearby.

Welcome to the Unions NSW telephone directory

Unions NSW is a union community of over 600,000 people bound together by the desire to build a better future for members and their families.

As the peak union body, Unions NSW advocates to improve rights and conditions of all working people in NSW by progressing our industrial and social agendas through industrial and social campaigns.

This directory is a resource for our community to remain in contact and make it easier for us to work together collaboratively.

We want this resource to assist you to share ideas, skills, and experiences across the movement to ensure we are winning campaigns throughout 2017.

Thanks to our sponsors First State Super and Slater & Gordon for supporting the production of this directory and supporting the NSW union movement.

Yours faithfully,

Mark Morey, Secretary
